**The Lightest weight Full Size double fold on the Australian Market.**

**With room for an entire family and then some, the V4 Cape York breaks new ground in the conventional double fold camper trailer design..**

**Built tough for the Australian conditions.**

**Tent:** Waterproof 14oz fine woven canvas including a Fully Enclosed Annexe Room, Floor and Tropical Roof. All windows have midge proof mesh and internal/external canvas screens.

**Build:** A super tough fully welded & hot dip galvanised frame plus Fully painted Zinc anneal sheeting and sound deadener underbody.

**Pole System:** Featuring SWAG's Unique Quik-Lift Pole configuration means set up times are greatly reduced for the main tent & awning. Easiest Set up on the market!!!

**Sleeping:** 2 x 200cm x 140cm Internal master beds with memory foam mattress. A large dining area quickly converts to another full size bed.

**Storage:** Loads!!! New unique Pantry/Fridge pod, lockable pantry drawer, and 3 large external slides. Internal storage can be accessed from the outside of camper whilst closed as well as storage underneath the bench seats.

**Finish:** Strong yet lightweight polymer filled composite body with alloy checker plate scratch panels

**Drawbar & chassis:** **NEW** Super Strong Q345 (Australian Grade) 120x50x4mm Single piece chassis.

**Drive system:** 265/75/R16 Off Road tyres on rated alloy rims. 6 stud Landcruiser pattern hubs with 12 inch Electric Brakes and independent handbrake system.

**Suspension:** SWAG's Proven Heavy Duty Independent trailing arm suspension, with rigid coil springs and dual Off road shocks

**Battery Management & Electrical:** 2 x 100ah batteries connected from Anderson plug on drawbar for car & solar. This camper features Marine grade toggle switches, vibrant water level indicators as well as plenty of LED lighting & USB/12V points throughout.

**Water:** 180lt S/S water tanks fed via SEAFLO pumps

**Kitchen:** Fully plumbed stainless steel kitchen featuring 4 burner heavy duty stove, wind break arms, drawers and slide out bench.

**Gas & Fuel:** 2 x 4.5kg gas bottle & 2 jerry cans holders mounted on stone guard

**TARE:** 1650KG *includes tent, batteries etc*

**ATM:** 2300KG **BALL:** 140KG

**LENGTH:** 6.1M **WIDTH:** 2.2M

**FRIDGE:** 980 x 600 x 530

\*Weights are calculated as a dry weight and may not include any of the additional extras listed in the inclusions list above. We recommend you talk to a staff member to confirm this.
