Looking for a luxury camper that is easy to tow, even easier to operate & packed full of features? Featuring a super quick main tent setup, loads of storage & very easy to tow - The V.2 KAKADU Forward Fold Camper is suitable to everyone.

Built tough for the Australian conditions.

Tent: Waterproof 14oz fine woven canvas including a Fully Enclosed Annexe Room, Floor and Tropical Roof. All windows have midge proof mesh and internal/external canvas screens.

Build: A super tough fully welded & hot dip galvanised frame plus Fully painted Zinc anneal sheeting and sound deadener underbody.

Pole System: Featuring SWAG's Unique Quik-Lift Pole configuration means set up times are greatly reduced for the main tent & awning.

Sleeping: Full Size (Larger than queen!) Internal master bed with memory foam mattress. Second bed can be created in the lounge.

Storage: Extra large lockable pantry tub beside the fridge area as well as storage on opposite side & tunnel boot which can be accessed internally/external. Massive fridge slide with fender plus huge rear boot & pole carrier. internal under seat storage pods.

Finish: Stylish 2pac metallic paint surrounded by stainless steel trims

Drawbar & chassis: **NEW** Super Strong Q345 (Australian Grade) 120x50x4mm Single piece chassis.

Drive system: 265/75/R16 Off Road tyres on rated alloy rims. 6 stud Landcruiser pattern hubs with 12 inch Electric Brakes and independent handbrake system.

Suspension: Heavy Duty Independent trailing arm suspension, with rigid coil springs and dual Off road shocks

Battery Management & Electrical: 2 x 100ah batteries connected from Anderson plug on drawbar for car & solar. This camper features Marine grade toggle switches, vibrant water level indicators as well as plenty of LED lighting & USB/12V points throughout.

Water: 170lt S/S water tanks fed via SEAFLO pumps

Kitchen: Fully plumbed stainless steel kitchen featuring 4 burner heavy duty stove, wind break arms, drawers and slide out bench

Gas & Fuel: 2 x 9kg gas bottle & 2 jerry cans holders mounted on stone guard

TARE: 1600KG *includes tent, batteries etc*

ATM: 2250KG **BALL:** 135KG

LENGTH: 5.75M **WIDTH:** 1.9M

FRIDGE: Will fit up to an TMDZ95 or CX95

*Weights are calculated as a dry weight and may not include any of the additional extras listed in the inclusions list above. We recommend you talk to a staff member to confirm this.
