Australia's lightest weight Full size Forward Fold Camper is here. Featuring a super quick main tent setup, ample storage & easy to tow - SPRINTA ULTRALITE Forward Fold Camper is suitable to almost everyone.

Built tough for the Australian conditions.

Tent: Waterproof 14oz fine woven canvas including a Fully Enclosed Annexe Room, Floor and Tropical Roof. All windows have midge proof mesh and internal/external canvas screens.

Build: Durable & Lightweight Fully Welded Aluminium box section frame with super tough bonded aluminium composite sheet walls.

Pole System: Featuring SWAG's Unique Quik-Lift Pole configuration means set up times are greatly reduced for the main tent & awning.

Sleeping: Full Size (Larger than queen) Internal master bed with memory foam mattress.

Storage: 1 x large pantry drawer beside the fridge area as well as tool slide on opposite side & tunnel boot. There is a Massive fridge slide (suitable up to G75), internal under seat storage pods.

Finish: Strong & durable Aluminium composite sheet panels with aluminium checker plate sides and front stone guard deflector.

Drawbar & chassis: **NEW** Super Strong Q345 (Australian Grade) 100x50x4mm Single piece chassis.

Drive system: 265/75/R16 Off Road tyres on rated alloy rims. 6 stud Landcruiser pattern hubs with 12 inch Electric Brakes and independent handbrake system.

Suspension: Heavy Duty Independent trailing arm suspension, with rigid coil springs and dual Off road shocks

Battery Management & Electrical: 1 x 100ah battery connected from Anderson plug on drawbar for car & solar. This camper features Marine grade toggle switches, electronic water level indicators as well as LED lighting & USB/12V points throughout.

Water: 130lt stainless water tank connected to the kitchen via a SEAFLO Water pump.

Kitchen: Fully plumbed stainless steel kitchen featuring 4 burner heavy duty stove, wind break arms, drawers and slide out bench

Gas & Fuel: 2 x 4.5kg gas bottle & 2 jerry cans holders mounted on stone guard

TARE: 980KG *perfect for SUV's*

ATM: 1490KG **BALL:** 90KG

LENGTH: 4.9 M **WIDTH:** 1.9M

FRIDGE: Will fit up to an Evakool G75

*Weights are calculated as a dry weight and may not include any of the additional extras listed in the inclusions list above. We recommend you talk to a staff member
